

PE-C5-JEU DE DOMINO SUR LES IONS

Na^+	ion ammonium
---------------	--------------

K^+	Ion sulfate
--------------	-------------

Ag^+	ion zinc
---------------	----------

Fe^{2+}	Ion fer (III)
------------------	---------------

$\text{Cr}_2\text{O}_7^{2-}$	ion hydroxyde
------------------------------	---------------

NO_3^-	Ion hydrogène
-----------------	---------------

MnO_4^-	ion nitrate
------------------	-------------

NH_4^+	Ion chlorure
-----------------	--------------

Cu^{2+}	ion fer (II)
------------------	--------------

Mg^{2+}	ion permanganate
------------------	------------------

HO^-	Ion potassium
---------------	---------------

H^+	Ion sodium
--------------	------------

SO_4^{2-}	Ion magnésium
--------------------	---------------

Cl^-	Ion argent
---------------	------------

Fe^{3+}	Ion dichromate de potassium
------------------	-----------------------------

Zn^{2+}	ion cuivre (II)
------------------	-----------------
